## Special Stamp Postmark Commemorates 2006 Kolache Festival

By: Sharon Maggard

Kendra McBride of Prague designed the 2007 Postmark for the Special Stamp Cancellation to commemorate this year's Kolache Festival. The cancellation will be available at the festival at the souvenir booth, located next to the grandstand.

The postmark is available thirty days after the festival, which is through Monday, June 4, at the Prague Post Office.

Anyone can walk-in and request the cancellation, or it can be acquired by mail. By mail, send a stamped envelope addressed to wherever you want it mailed back, inside another envelope, addressed to: Prague Post Office, P.O. Box 9998, Prague, OK 74864.

The cancellation can be used to save as a collector item for a souvenir, or can be mailed out.

All those interested in the cancellation are urged to get one to help ensure continuing the special cancellation in future years.
